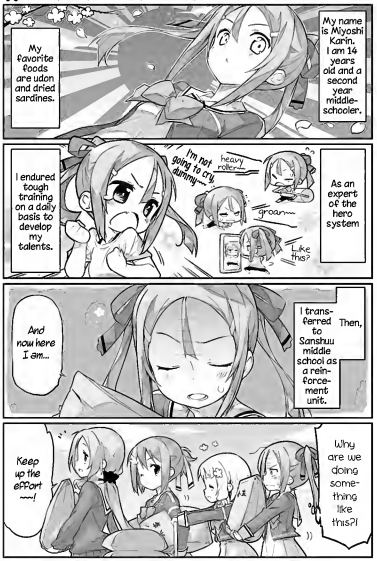
☆Today's job: organizing the wheat storehouse



My name is Miyoshi Karin. I am 14 years old and a second year middle-schooler.
My favorite foods are udon and dried sardines.
As an expert of the hero system
I endured tough training on a daily basis to develop my talents.

I'm not going to cry, dummy
groan

I trans-ferred to Sanshu middle school as a rein-forcement unit.
Then,
And now here I am...
Why are we doing some-thing like this?!
Keep up the effort ~~!

Those two get along so well.
